

# 3 CONVERSATIONS

Proactive steps towards confidence and competence in working across difference

1

## Conversations with Self

"What messages did I receive growing up, about race, gender, body-image, disability, sexuality?"

2

## Conversations with my 'in-group'

"What messages did *you* receive? What have you held to and what have you rejected?"

3

## Conversations across difference

Conversations 1 & 2 prepare us to truly 'be with' and effectively support our diverse clients
